

**JCLC (Fort Jackson)**  
AC Bragg, U.S. Army Cadet Command

April 20, 2017

SUBJECT: Training Activities for JCLC (Fort Jackson)

Memorandum For: SAI/AI for JROTC programs participating in JCLC (Fort Jackson 2017)

The purpose of this memorandum is to provide training guidance for the Army JROTC units who will participate in AC Bragg's JCLC Cycle 1 to be conducted at Fort Jackson, South Carolina June 4-10, 2017.

The training tasks and events for JCLC have changed, and there is a training day generic schedule attached at enclosure 2. There will be four training days, an Organization Day at Weston Lake, and Graduation at Hilton Field. The major training events are Victory Tower, High Ropes, Low Ropes, Air Rifle Marksmanship, Military Stakes, STEM, Leadership Course (TDC), Confidence Course, Water Safety, Canoes, Raft Building, and Free Swim. Additionally, there will be an opening ceremony the day we arrive and a mandatory safety briefing. Graduation will be conducted at Hilton Field; **parents will need to submit their own request for clearance** to attend graduation. Each person attending graduation must be cleared through the FT. Jackson Security Office. The link address provided to request clearance.

[https://fortjacksonevents.org/purchase\\_ticket\\_new.php?event\\_id=1491380986](https://fortjacksonevents.org/purchase_ticket_new.php?event_id=1491380986)

Each School must stress the importance of parents requesting access and clearance to attend graduation even if they decide later not to attend. **A request must be made for everyone attending graduation and organization day.**

Cadets may have an opportunity to participate in light physical training during the camp, especially during organization day, so adhering to physical fitness guidance is essential. **Since we will be conducting Marksmanship firing, schools will need to administer the Cadet Command Marksmanship exam and the Safety Pledge. A memorandum stating all cadets have passed the exam with 100% and taken the pledge will be submitted to the S3 during in-processing.**

I have attached a training packet of information that each cadet should know before they attend camp. Cadets will compete in Military Stakes, Iron Man/Woman and Marksmanship at the company level. At each of the test stations on the Military Stakes course a cadet will have to perform three tasks. They will have to answer two questions that they might encounter on a High School Exit Exam, one math and one vocabulary. The other tasks are listed in the training material.

Colonel Joye and his camp staff in coordination with Mr. George James at Fourth Brigade Headquarters have worked hard to put together a high energy camp that I know our cadets will really enjoy. Secondary training in the event of inclement weather is also being put together that will be conducted at the Company/Platoon level in the company areas There will be more to follow.

If you have any questions about training please call LTC Chuck White at (803-348-4515)

# JCLC Fort Jackson MILITARY STAKES

## MILITARY STAKES

Military Stakes will be conducted in support of Air Rifle Marksmanship Training. Cadets not on the firing range will be tested on the FIVE Military Stakes tasks. At the Military Stakes each cadet will be provided with a score sheet and then directed to the first station. They will report to each station in numbered sequential order and return to the start point and turn in their score sheet. Sequence of events may be different than shown below.

### Station #1 First Aid, 4-Steps to prevent Heat Injury

**TASK:** Identify the four steps to evaluate a victim using first aid.

**CONDITION:** In the field, without the aid of notes pick the four correct responses from the list of possibilities.

**STANDARD:** IAW Foundations For Success, in life, career, health and wellness, units 3 & 4 second edition, Page 556, with 100 percent accuracy within two minutes

### Station #2 Seven Army Values

**TASK:** Cadet will explain seven Army Values

**CONDITION:** In the field, without the aid of notes

**STANDARD:** TBD

### Station #3 Manual of Arms

**TASK:** Cadet will execute the 15-count manual of Arms

**CONDITION:** In the field, given a M-1903 or M-1 Rifle and the command, "15 Count Manual, Arms"

**STANDARD:** IAW ROTCM 145-4-1, LET 1 Manual, with 100 percent

### Station #4 Recognize JROTC Rank

**TASK:** Cadet will recognize JROTC ranks

**CONDITION:** In the field, without the aid of notes

**STANDARD:** IAW Cadet Reference, Fourth Edition -- Identify five JROTC ranks with 100 percent accuracy

### Station #5 Cadet Creed

**TASK:** Cadets may be asked to recite the Cadet Creed and/or write a missing verse of the Cadet Creed

**CONDITION:** In the field, without the aid of notes

**STANDARD:** With 100 percent accuracy

Facebook:

In order to access Fort Jackson you will need to go to the link below and download a pass. You are encouraged to print this pass, the QR code at the top right of the page will be used to confirm your pass before you are granted access.

If you own a smart phone and elect not to print the pass, the QR code can be scanned from your phone at the gate provided you have internet access and the pass is readily available when you arrive at the entrance.

Without the proper pass with your name on it, you may be denied access to Fort Jackson or asked to go through additional screening to validate your admission to Fort Jackson.

If you plan to bring multiple vehicles, each vehicle will need its own pass. The occupants of each vehicle must be registered on that pass.

**Link can be copied and passed in web browser**
