

# Odds & Ends

## September 2009

**General:** As this is the first Odds & Ends of the new school year, I'd like to wish all of you a great SY 09/10. The landscape continues to change due to Cadet Command restructuring and the mini-expansion of JROTC. We will add approximately 260 new programs across the command beginning next school year and for the subsequent 2 or 3 school years after that. A portion of those will be in the 4<sup>th</sup> Brigade footprint. As most of you already know, we have a new Brigade SGM, his name is SGM Andre S. Machado. His photo is available on our website. Don't be surprised to receive a visit from him as he plans on getting more involved with JROTC. As always, please make sure you read the entire Odds & Ends as there are some key suspense dates that you need to be aware of. If you have any questions, contact the listed POC.

Note: For more detailed information on the above and other events visit the 4<sup>th</sup> Brigade website at [www.ajrotc.us](http://www.ajrotc.us).

**Budget:** After a successful closeout of the FY09 budget we are actively working with Cadet Command preparing the FY10 budget for release. Budget cuts have taken place and more are expected. With that said, there still seems to be adequate funding to support our base requirements. With any luck, I'll be sending the initial status of funds to each unit by 1 October 2010. Each unit is expected to follow the spending plan below. Several time throughout the year a budget review will be conducted. If any unit is below

the spending parameters, that unit is subject to lose a portion of their funding. Additionally, if any unit has spent more than their annual budget without Brigade approval their GPC will be suspended. Make sure you certify your GPC each month in a timely manner and reallocate as appropriate. Remember, all GPCs are defaulted to MPA and you must reallocate to OMA when purchasing OMA funded items. Also, all GPC purchases are now being monitored by the Command.

### Spending Guidance

Date	Event
1-Oct-2009	New Budget Year Begins
30-Dec-2009	Schools 40% Spent
15-Feb-2010	Schools 60% Spent
15-May-2010	Schools 90% Spent
15-Jun-2010	School's & DAI Shops 100% Spent - Budgets Close
30-Aug-2010	JROTC 100% Spent - Budgets Close

#### Marksmanship:

- Units desiring to conduct marksmanship training for cadets must comply with the Cadet Command Marksmanship MOI located on the 4<sup>th</sup> Brigade JROTC website. Many instructors have forgotten the annual requirement to complete Marksmanship DL on the JSOCC DL site. Ranges that were inspected by CMP and have not changed location will be re-inspected during this year Unit Visit or Formal Inspection.

- Reminder, in November 2008, US Army Cadet Command began issuing Daisy/Avanti Model 887 CO<sub>2</sub>-powered air rifles to replace the pump-pneumatic air rifles used in JROTC marksmanship programs since the 1980's. The Model 887 is a sporter class target air rifle that fires a .177 caliber pellet at a nominal velocity of 500 fps. The Model 887 is powered by a removable refillable cylinder that holds 2.5 ounces of liquid carbon dioxide (CO<sub>2</sub>) – enough for 250 or more shots. Empty cylinders are refilled from a bulk tank. A fill adaptor and digital electronic scale are issued with the rifles. Instructions for use are packaged with the fill adapter. More detailed guidance on re-filling air rifle cylinders is contained in the JMIC student text. A poster showing step-by-step procedures as well as a video demonstrating correct technique is available on the Civilian Marksmanship website. Unit requirements are as follows:

- a. Prior to using the newly issued Model 887 rifles, coaches/marksmanship instructors must view the CMP video, *Fill Procedures for Air Rifle CO<sub>2</sub> Cylinders* at <http://www.odcmp.com/CoachingResources.htm> and report completion to brigade headquarters.

- b. Units that do not already use CO<sub>2</sub> or compressed air rifles must execute a new MOU with the school to cover the use of refillable CO<sub>2</sub> cylinders and storage/use of a bulk CO<sub>2</sub> tank. Other range and training requirements addressed in the MOU will remain unchanged.

c. Only JROTC cadre (or school-approved adult coaches/assistants) will fill CO2 cylinders or install/remove them from air rifles. **Cadets will not install, remove, or fill CO2 cylinders.**

d. Liquid CO2 can be obtained locally from industrial gas or welding supply companies. These companies will usually lease the tank. Units are authorized to use OMA funds to purchase CO2 and rent or lease bulk tanks. If you determine that buying a tank would provide a cost savings to the government, you may request authorization to do so and provide justification through your brigade to HQ Cadet Command. The Model 887 air rifles are issued with the necessary equipment (fill station and scale) to allow units to refill their own cylinders; however units are not required to do so. Units may have rifle cylinders refilled by gas suppliers or paintball shops if preferred.

**Drill:** The new 4th Bde Drill MOI with annexes and score sheets are located on the 4th Brigade web site under MOI's. All competitions are encouraged to use the new MOI (Must use to get to BDE Championship). The new MOI is based on national level standards (Challenge level). By following this MOI your team should be prepared for any competition as well as the championships. **IMPORTANT:** If you are hosting a Drill Competition and want your teams to compete for a slot in the Brigade Best of the Best Drill Competition (Top teams in the seven states will be selected to compete in Winston Salem, NC on 27 Feb 10 for the Brigade Championship) follow the below guidance:

- Register your event with Bde (Submit form to Brigade (Annex E, see MOI)
- Follow the new 4th Bde MOI
- Upon completion of your event you must send your results to Bde. Use the Results tab under Competitions in the 4th Bde web site or submit the score results form in Annex F.

The POC for this action is Mr. Anderson 910-396-0136

### **JSOCC:**

- JSOCC Resident Course (Fort Monroe, VA)

a. Reminder, all Instructors are required to go to the resident JSOCC course (Ft Monroe) within one year of hire and return every five years. If you know your getting close to the five or one year mark we recommend signing up for one of the courses ASAP. Instructors over the five year requirement or those instructors new to JROTC need to sign up immediately. Those instructors that do not sign up on their own initiative will be slotted for a class at the discretion of the Brigade. You can sign up by either going to the 4th Bde JROTC website at [www.ajrotc.us](http://www.ajrotc.us) and self nominate (click the "JSOCC Course Request" Tab) for a class that fits your schedule or give us a call. The FY-09 schedule is posted on the Web Site under JSOCC Attendance Roster

b. Because of changes to the Training Guidance some of the JSOCC course dates have changed. Everyone that has signed up for a JSOCC Residence Course so far needs

to check the roster on the 4th BDE Web site to see if their specific course has moved. The shift should have minimal impact. If you see an issue please contact us ASAP 910-396-0136.

- JSOCC DL

a. Reminder, all cadres have 6 months from time hired to complete the basic DL courses. You have additional 2 years from hire to complete the four advanced courses. Instructors should periodically check their progress report on their home page to see if any courses have been added or modified. If courses are added or modified you must complete them as soon as possible. Courses have been added and modified since 2005 to JSOCC DL. Don't assume you have met the requirement. Go into your account and make sure you have completed the requirement. Don't get caught in this category because the brigade has been directed to put instructors on probation that have not completed DL. If you have questions and don't understand the requirement please call.

b. On 18 Sep 08, all were notified reference the current JSOCC DL system will be gone on 26 Sep 08. Individuals in the middle of a course must complete that specific course otherwise you will be required to start over. The last day for lesson completion is COB Friday, 26 September. You will be credited for the courses you have completed. No one will continue to be enrolled in the present distance learning system unless they are going to the first JSOCC in FY-09. Once the new system is in place instructors will be able to be enrolled. At the end of the day on the 26th the link to DL from the Training and Operations tab on the JROTC Portal will be deactivated and new instructions posted. Instructions for new, first time instructors will be provided to allow them to take the DL course on the ALMS through AKO. (All newly certified instructors should have an AKO account as their AD account changed status when they retired.) Interim instructions for all users will be provided for use until full implementation and conversion of data in late November. All Instructors must have an AKO account in order to be enrolled in the new JSOCC DL. You can create a new AKO account by going to the 4th BDE Web site and clicking on Important Links. Then click on the AKO tab and follow the Instructions. When creating a new account, you should also include your SSN.

### **Rappel Training:**

- Change to the Cadet Command JROTC rappel policy calls for all JROTC cadets to rappel using pre-fabricated nylon rappel seats. Self-tied Swiss Seats are no longer authorized for JROTC rappelling.
- Only current Brigade Certified Rappel Trainers can conduct rappel training within the Brigade. Note: If you attended a one day course else where (Fort Jackson, etc.) you are **NOT** Brigade Certified. If you are unsure of your certification contact Mr. Steve Anderson or Mr. Rodney Clark at 910-396-0136.
- Recertification. Every five years all Rappel Trainers must attend a one day recertification course conducted by Brigade. This is to refresh and update all trainers.

- Currency. Once certified to maintain currency all Rappel Trainers must execute the following four critical tasks every 6 months.
  - a. Show proficiency in tying knots
  - b. Rigging a tower (No need for a tower. Can be any fixed site)
  - c. Rappel Master Personal Inspection
  - d. Hook-up rappeller

Note: The above tasks **must** be witnessed and signed in Memorandum format by another current Certified Rappel Trainer

- Administrative. In order to conduct rappel training you must maintain the following documents:
  - a. Brigade Certificate
  - b. Signed Composite Risk Management Worksheet (CRMW) (Send to Brigade for Cdr signature)
  - c. Proof of currency (Send copy to Brigade with CRMW )
  - d. Tower inspection (Send copy to Brigade with CRMW)

Note. Rappel tower inspections and risk assessments must be submitted annually to this Headquarters. All rappel training must be conducted in accordance with CCR 145-2 (1 Jul 07).

- Certification Training. The Brigade will run two Rappel Certification Training courses during FY 10 at Oak Ridge Military Academy. The scheduled dates are to be determined. Instructors desiring to participate should contact Rodney Clark or Steve Anderson, (910)396-0136, or email [rodney.clark@usarmy.mil](mailto:rodney.clark@usarmy.mil) ; [steven.anderson@usacc.army.mil](mailto:steven.anderson@usacc.army.mil). We will provide information, as well as answer questions, on rappelling during the January Instructor Seminar.

**Risk Management:** All Risk Assessments should be done on the new Composite Risk Management Worksheets (CRMW). You can find the CRMW on the 4<sup>th</sup> BDE Web Site. All Rappel Training is considered High Risk Training and must be signed by the Brigade Commander. It can be mitigated down to medium risk but not low risk. Reminder the School Principal will now sign all risk assessments as the reviewer for all rappel training as it affects the school. The Brigade Commander will sign as the Risk Decision Authority at the bottom of the worksheet. All Risk Management worksheets must be sent in to Brigade at least 30 days prior to training event for signature if required.

**JCLC:** We just completed reviewing your JCLC 09 AAR comments. As a whole JCLC 09 was outstanding. All cadre and cadets are to be commended for their dedication to excellence. We appreciate the outstanding support we received from all National Guard and active duty units. Planning for JCLC 2010 is currently underway. With the shortage of billeting space at Ft. Jackson and JCLC 2009 AAR comments we had to do some realigning of JCLC unit assignment for 2010. We worked hard to maintain group integrity and balance out travel distance. Attached is a copy of the projected JCLC 2010 unit assignments. Questions or comments may be directed to Mr. Chuck Perry, Mr.

George James or Mr. Steve Anderson. JCLC 2010 dates and commandants will be announced NLT the 30 October 2009.

**JUMS/JCIMS Reports:** The Cadet Opening Enrollment, Unit Admin, Ethic Data to include the PART reports are due to brigade on 1 October 2009. These are combine reports (embedded in the Opening Enrollment) electronically submitted via the JUMS to JCIMS interface. Make sure that you create your report using JUMS 3.30 (patch 27); and upload to JCIMS - you " know the deal". We will check JCIMS for 4th Brigade units on 1 October 2009 In addition, those units that did not submit "The Intention of Graduates Report" that was due on 31 May 2009, send this report also. IF you need assistance contact Mr. George James at 910-396-8706.

**Annual AJROTC Leadership and Academic (J-LAB):** Schools should start preparing for the annual Army JROTC Leadership and Academic Bowl. As before, this event is conducted in three phases. **Level I** is a **mandatory** event and will be included in the unit report beginning with the 2009-2010 SY. Each school must provide 2 teams, an academic team and a leadership team. Failure to participate may affect the unit's overall designation (MU, HU, HUD). The following is a list of important dates:

<b>Practice Quiz (optional)</b>	<b>October 12 – 23, 2009</b>
<b>Registration Begins</b>	<b>November 2, 2009</b>
<b>Level I – The Challenge</b>	<b>November 9 – 18, 2009</b>
<b>Level II – Zero Hour Threat</b>	<b>January 13 - 25, 2010</b>
<b>The Leadership Symposium and Academic Championship</b>	<b>June 25 – 29, 2010</b>

For complete details and rules, please visit [www.collegeoptionsfoundation.net](http://www.collegeoptionsfoundation.net). Click Competitions – Army J-LAB – About J-LAB. Please direct all questions and concerns to Mr. Art James at (910) 396-5709.

**Weight Control Management:** The suspense for the annual weight verification is 15 Oct 2009. This is a requirement for all JROTC instructors and an effort to ensure you meet height/weight or body fat prescribed in CCR 145-2. If you were hired this year or recently attended JSOCC, you are still required to meet the suspense. Weight control is maintained at BDE level therefore, current results must be on record with us. Information and guidance concerning the Weight Control Program is located in CCR 145-2, section 8, chapter 4-26 through 4-31. All forms and instructions are located in appendix H under Instructor Weight Control Program. Please indicate the date your height/weight information was obtained in the upper right corner of the Weight Verification Sheet. Forms can be emailed, mailed, or faxed. Beginning SY10/11, weight verification information will be submitted no earlier than (NET) August 1<sup>st</sup> of each year.

The suspense date will remain the same (15 Oct). Please direct all questions and concerns to Mr. Art James at (910) 396-5709.

**Instructor Management:** Please notify 4<sup>th</sup> Brigade if an instructor is hired, fired, resigns, retires, transfers, or whenever an instructor is out of the classroom for more than thirty (30) calendar days (i.e. sick, hospitalized, emergencies, etc). The following is a listing of instructor documents that should be submitted to BDE.

a. Hire letter: Sent to Brigade whenever a new instructor is hired or an existing instructor is hired at another school. (Please indicate the number of contract months and if the position is cost- shared or non cost-shared. Existing instructors seeking a position at another school must first submit a resignation letter).

b. Resignation letter: Sent to Brigade whenever an instructor resigns or retire.

c. Transfer letter: Sent to Brigade whenever an instructor relocates to another school within the same district (You do not need a hire or resignation letter, however you do need to submit new DD Forms 2767 and 2754)

d. DD Form 2767 pages 1 and 2: Sent to Cadet Command whenever an instructor is hired, transfers to another school and annually for pay certification.

e. DD Form 2754: Sent to Cadet Command whenever an instructor is hired initially or seeking a position at another school outside the current school district. All new instructors (first time instructors) must submit proof of dependents (i.e. marriage certificates, birth certificates of children up to the age of 23 and still attending school full time).

**Degree Requirements:** Instructors that have not submitted their degree requirement information need to do so immediately. All Senior Army Instructors (SAI) possess a bachelors degree or higher and all Army Instructors (AI) possess an associates degree or higher by 31 December 2009 or within 5 years from date of hire, whichever is later. Instructors not meeting the suspense date will be placed on probation until the requirement has been met. Instructors that have not met the requirement by the end of the 2009-2010 school year will be decertified. Instructors may be retained on a case by case basis depending on their estimated degree completion date and proof of active participation toward degree completion. If you have not reported your degree status to 4<sup>th</sup> Brigade, please go to the following link and provide the requested information: <http://www.formexperts.com/forms/53CLGN4OML6W> . Please contact Mr. Art James if you have any questions at 910-396-5709 or [arthur.james@usacc.army.mil](mailto:arthur.james@usacc.army.mil) .

**DoD E-mail Information:** Contact the DLA CIC to receive instructions for returning items to DoD E-mail, call the contact center at 1-877-352-2255. Be prepared to provide necessary information i.e., requisition number, NSN, quantity, and the reason for discrepancy etc. **NOTE: Do not send anything back until DLA has given authorization to do so.** A representative will contact you with the correct procedures to

return items. Returning items to DLA is a lengthy process, so be patient. Once the authorization has been given, credit will be issued to your account.

**DoD Email New Accounts:** If you are a first time user and need to establish a new account with DoD Email please use the spreadsheet on the 4<sup>th</sup> Bde web page title DoD Email Registration upon completion forward information to Lynn Davis via email: [marilyn.davis@usacc.army.mil](mailto:marilyn.davis@usacc.army.mil)

**Suspended DoD Email Accounts:** If your Email account has been suspended for inactivity, you must contact one of the representatives listed below to reset your password. Remember you must log on the account every 28 days to keep the account in an active status. You do not have to make a purchase, just simply log on.

Email POC to reset passwords

(Note: Area code and prefix same for all the numbers listed above 269-961-xxxx)

**Government Purchase Card (GPC) Information:** Please be advised that if your Government Purchase Card Account is not certified monthly within 3 business days after the billing cycle close date, your card will be suspended for 90 days. If this continues to be an issue your card will be suspended permanently. Additionally, it is impossible to track our spending status if you do not certify in a timely manner. Without an accurate spending status, additional funds will not be released. The command now monitors each GPC purchase. If a purchase is made for an unauthorized item both the individual cardholder and the billing official will be held accountable. If you are in doubt about whether or not an item is authorized contact Mrs. Lynn Davis at (910) 396-6399 or Mr. John Sovine at (910) 396-4066 for guidance.

**Belts:** Effective immediately and as a result of extensive backorders in Email, you are authorized to purchase belts and buckles through AAFES. All other items must still be purchased through Email.

**Supply Inspections:** JROTC units are required to receive a supply inspection annually. It is recommended that you schedule a supply inspection with your SROTC affiliated unit, your support installation property book officer or a qualified member of a reserve component unit and provide the checklist to a Bde staff member during your formal inspection or staff visit. If it is not possible for you to schedule the inspection as outlined above, the Bde staff will conduct the inspection while on site.

**Formal Inspection Schedule:** The 2009-2010 4<sup>th</sup> Bde Formal Inspection Schedule is on the Bde website <http://ajrotc.us/>. If your unit is scheduled to receive a formal inspection, please provide an inspection agenda to Mr. Buck Jenkins. An office call with a school

representative is required and should be scheduled prior to the start of the inspection if at all possible. Remember to schedule personnel authorized to wear the uniform and that meet the weight standard to assist with the in ranks inspection. In ranks inspectors should wear the Class A, Class B or the Blue uniform. Cadets will be dressed in Class A or Class B uniform with all decorations and awards. Headgear will be worn whether the in ranks inspections is conducted in doors or out doors. Questions concerning the formal inspection schedule should be addressed to Mr. Buck Jenkins 910-396-8807; [buck.jenkins@usacc.army.mil](mailto:buck.jenkins@usacc.army.mil) .

**Staff Visits:** Units not receiving a formal inspection will receive a staff visit from a member of the Bde JROTC Staff. The staff member will complete a checklist, however the main purpose of the visit is to observe operations and to assist unit as needed. Staff visits normally last about 3 hours. The staff member will tour the JROTC facilities, meet with the JROTC Cadre, observe a class, (do not rearrange schedules) and assist the cadre as necessary. There is no cadet requirement for this visit, however the staff member will meet with or receive an overview briefing from the cadet staff if requested and time permits. The staff member will meet with a school official upon request from the cadre. Please inform the staff member in advance of any areas of concerns that should be mentioned a meeting with school officials is requested.

**Master Training Schedules:** Master Training Schedules are due to Bde NLT 1 Sep annually. If you have not already done so, submit it to Mr. Jenkins ASAP. Fax to 910-396-3854 or [buck.jenkins@usacc.army.mil](mailto:buck.jenkins@usacc.army.mil).

**Training Seminar:** The Bde Staff is in the preliminary stage of planning the annual training seminar. We expect it to be conducted in late Jan 2010 in Myrtle Beach SC. Attendance allocations will be 1 cadre member from each JROTC program and 1 DAI representative from each DAI office. Consider who attended the last seminar and send the cadre member that will benefit most and will be able and willing to share the knowledge gained at the seminar with other cadre members. Also, do not choose cadre members that you know will be leaving the program within the next year or any that have not met the educational requirement. Please forward all question, ideas and suggested topics for the seminar to Mr. Ford, 910-396-8807 or [rudolph.ford@usacc.army.mil](mailto:rudolph.ford@usacc.army.mil).
