

# ODDS AND ENDS

## January 2014

### ➤ **General.**

- **Budget.** As most of you know, JROTC did not receive an OMA budget for this FY. At present, I see no signs that we will receive OMA funding. As a result, the Instructor Training Workshop has been canceled, alternative options are being looked at for JCLC and Brigade JROTC travel has been significantly curtailed. The training workshop may be rescheduled if funds become available. Additionally, JROTC units are not authorized to commit OMA funds at this time. MPA funding levels have not changed.

- **New Brigade Commander.** The Brigade conducted a change of command last month. The new commander is COL Lawrence A. Anyanwu. His command photo can be downloaded from the Brigade JROTC website at:  
<http://www.ajrotc.us/Administrative/coc.html>

- There have been many changes over the past 6 months and most are covered in this document. Please read it carefully. If you have questions, please give us a call or shoot us an email. Since we are extremely limited on our ability to conduct face to face visits, email and the telephone will be our primary means of assisting you for the foreseeable future.

### ➤ **Key Dates.**

## INSTRUCTOR MANAGEMENT

➤ **Hiring Actions.** As of December 12, 2013, JROTC received a limited amount of money for instructor hires. The following priorities have been established and will be used to start the hiring actions:

- Priority 1. JROTC programs that have no instructors. Schools must hire first instructor by 1 February 2014 and the second instructor by 1 March 2014.
- Priority 2. Those instructors that were hired by schools on a non-cost shared basis between June – September 2013, who did not retire until 1 Oct-1 Dec 2013 (FY14).
- Priority 3. Schools with only one instructor. The priority is to ensure that schools with only one instructor receive the second instructor that is authorized. We are still working the action of allowing instructors to transfer outside of their current district.

- **HIRING OF ADDITIONAL INSTRUCTORS (2<sup>nd</sup>, 3<sup>rd</sup>, etc. AI's) ON A COST SHARED BASIS IS NOT AUTHORIZED....**

- Effective immediately. Instructors and schools/school districts must have written approval prior to placing an instructor in the classroom due to the possibility of an unauthorized commitment of appropriated funds. Cadet Command will no longer operate on the "good faith" system.

➤ **Weight Control.** Many instructors have not submitted height/weight documents to brigade. The suspense to submit the annual height/weight documents was 15 Oct 2013. Failure to submit height/weight documents may cause you to be placed on probation and will prevent you from attending JSOCC or any other Cadet Command training. If you are within the weight standard, only submit the weight verification form. If you are not within the standards, submit the weight verification form and the body fat content worksheet (DA form 5500/5501). Do not assume that you are within the standard. Review the weight/height table and use the updated DA form 5500/5501 located in CCR 145-2. POC for this action is Mr. Art James at [arthur.w.james2.civ@mail.mil](mailto:arthur.w.james2.civ@mail.mil) , 910-643-6588 or Mr. Erik Shay at [erik.s.shay2.civ@mail.mil](mailto:erik.s.shay2.civ@mail.mil) , 910-643-4346.

➤ **DD Form 2767. Suspense 1 May 2014.** The annual DD form 2767 for SY 2014-15 will be processed differently from past years. Instructors will access and complete the DD form 2767 via JCIMS. The form will be printed and signed by the approving official (principal, HR representative, or DAI) and the instructor. Upon completion, the form will be scanned and uploaded through JCIMS for Brigade review. The intent is to provide a speedy, accurate, and secure procedure for the document to arrive at Cadet Command. (See 4<sup>th</sup> Bde website for instructions on submitting form)

➤ **Cadet Command POC Information Memorandum.** The suspense for the Cadet Command POC information memorandum was 6 Jan 2014. Please provide your district with the correct format and inform them to immediately email or fax the document to Mr. Art James at [arthur.w.james2.civ@mail.mil](mailto:arthur.w.james2.civ@mail.mil) or 910-396-3854.

## **AUTOMATION**

➤ **Token.**

- Mail cards back to Mr. Dawson at 4<sup>th</sup> Brigade Headquarters (Ft. Bragg, NC.)
- The DOD token can be used to access EMALL and AKO.

- Login Resets: Use the following to reset the CM. User Name is **reset**; Password is **jrotc**.

- All instructors need to check for CMs updates each week, using a computer connect to the internet.

- For help with your CM, please contact Technical Support at [JROTCcmhelp@gmail.com](mailto:JROTCcmhelp@gmail.com) Please include in the email a brief description of the problem and a phone number so that we may contact you.

### ➤ **JUMS**

- **Updated JUMS User's Manual:** An updated JUMS User's Manual is on the JROTC web portal under Automation and Web Based JUMS 4.0.

- **Helpful Hints:**

- ✓ Creating a Service Learning Event- make sure that you have 15 cadets and 1 Instructor participate in the event for no less than 11 hours.

- ✓ Creating an event- ensure that you use the HELP function to guide you through what is needed to get credit for the event on your Unit Report

- **Brigade POC's:** Mr Robert Dawson, 910-396-4277 or Mr Erik Shay, 910-643-4346.

## **TRAINING**

### ➤ **JSOCC Do's & Don'ts.**

- Take your complete uniform so you can take a photo.

- Keep in contact with Mr. Shay in reference to: class, date, mode of transportation, flight information, orders, hotel reservations, and travel voucher upon completion of JSOCC course.

- All newly hired Instructors must complete the online Basic Distance Learning Course prior to JSOCC attendance.

- Point of contact for all JSOCC matters is Mr. Erik Shay at [erik.s.shay2.civ@mail.mil](mailto:erik.s.shay2.civ@mail.mil) or 910-643-4346.

➤ **TRANSCRIPTS.** Cadet Command requires all instructors to have their College Transcripts loaded into JCIMS. According to our records the following Instructors are missing transcripts in JCIMS. Request those listed in Enclosure 1 send brigade a copy of your transcripts by Email or Fax. Once received, brigade will ensure that Cadet Command gets them and they get uploaded into JCIMS. Instructors failing to submit transcripts will not attend JSOCC. If you have any questions please do not hesitate to contact me at [erik.s.shay2.civ@mail.mil](mailto:erik.s.shay2.civ@mail.mil) or 910-643-4346.

➤ **COMPETITIONS.** We are expecting no funds for competitions this year. To play on the safe side and keep the Brigade Best of the Best (BOB) alive, schools need to be prepared to pay their own way. If we receive any funding for competitions we will assist funding as we have in the past--but do not plan on it. For more information about the 4<sup>th</sup> Brigade BOB competitions go to the 4<sup>th</sup> Brigade Web-site under Competitions and see BOB plan for SY 13/14.

➤ **MARKSMANSHIP.** Congratulations to North Brunswick High School for again winning the 4<sup>th</sup> Brigade BOB Championship for the 2<sup>nd</sup> year. We would also like to Congratulate all those that participated. We had over 21 teams and Individuals that will move on to attend the CMP JROTC Service championship in both Anniston, AL and Camp Perry, OH. The Brigade BOB will be held again at Lexington HS next SY on 13 Dec 14.

➤ **RAIDER.** The 4<sup>th</sup> Brigade BOB Raider Championship is still on track and scheduled to be held at UNC-Charlotte, NC on 26 Apr 14. Invitations will be sent directly to selected teams. For more information go to the 4<sup>th</sup> Brigade Web-site under Competitions and see BOB plan for SY 13/14. Teams must ensure they are using the latest Raider SOP dtd 27 Aug 13.

➤ **DRILL.** The 4<sup>th</sup> Brigade BOB Drill Championship is scheduled to be held 1 Mar 14 for invited teams. Invitations are being sent out. The location for the competition is Simon G. Atkins High School in Winston Salem, NC and hosted by the Winston Salem/Forsyth County School District DAI Office. Ensure you are using the latest Drill SOP dtd 13 Aug 13. You can find this SOP on the 4<sup>th</sup> Brigade website under Regs, Pubs, and MOIs.

➤ **ESSAY.** The suspense for the SY 13-14 Annual Army JROTC Essay Contest is 14 Feb 14. All students enrolled in Army JROTC are encouraged to participate. The SY 13-14 theme is "JROTC Builds Character and Leadership". Major areas to be considered in conducting the essay contest are:

- Criteria. (Go to the fourth Brigade website [www.ajrotc.us](http://www.ajrotc.us) and click on Essay Contest for detailed information)

- ✓ The essays will be 300-400 words in length; longer essays will not be evaluated. In order to verify the word count the school submission **must be sent in word format by email** to [steven.n.anderson.civ@mail.mil](mailto:steven.n.anderson.civ@mail.mil) NLT the above suspense date. Faxed submissions will not be accepted.

- ✓ Essays shall be the work of the individual Cadet. Cadets may receive feedback from instructors, peers, and other teachers in order to improve their essay. However, Cadets must do their own work.

- Judging. Since many instructors use these as learning activities and they are more familiar with the working skills of individual Cadets, judging must begin at the local school level. **Instructors will submit only one winning essay to their Brigade.** No essays will be accepted at Brigade from students. Each Brigade will submit one winning essay to HQs, Cadet Command.

- Awards. The Essay Contest Sponsor will provide awards for the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> Place National Winners. The award will be mailed directly to the Cadet's home address.

A JROTC Certificate and 2 Star Note will be provided as well. Awards should be presented by a senior officer at an appropriate ceremony. All participants will receive a Certificate of Achievement.

➤ **JLAB. The JROTC Leadership Symposium and Academic Bowl (JLAB):** Congratulations to all the teams that participated in level I and the teams that have been selected to move on to level II. We had over 150 teams selected to move forward to Level II in both Academic and Leadership Bowls. The practice round for level II has started and the actual competition is scheduled to begin 1 Feb (see below). Good Luck!

- 1-22 Oct 13 Practice Round (Complete)

➤ **RAPPEL TRAINING. As a reminder, as of 1 Oct 2013 JROTC program in 4<sup>th</sup> Brigade can only use figure eight decender rappel hookups (Snap Link hookups are no longer authorized).** Also, as a reminder programs can only use specified rappel equipment listed on the Brigade rappel SOP for any rappel training. No other equipment is authorized. The specified equipment has been standardized at all JCLC camps. All rappel training must be conducted in accordance with Bde Rappel SOP dated Aug 2013 (Located on the 4th Bde Website).

- Any questions about competitions or rappelling/ropes courses contact Mr. Anderson (910) 396-0136, or email [steven.n.anderson.civ@mail.mil](mailto:steven.n.anderson.civ@mail.mil)

➤ **MARKSMANSHIP TRAINING:** Units requesting range certification should contact Erik Shay at 910-643-4346 or email at [erik.s.shay2.civ@mail.mil](mailto:erik.s.shay2.civ@mail.mil) .

## LOGISTICS

➤ **Property.** All JROTC property, to include uniforms, must be in JUMS NLT 1 July 2014.

➤ **Inventories.** All units are required to conduct 100% inventories annually. Follow the steps below to conduct annual inventories of all clothing/property and sensitive items.

- Prior to conducting inventories all clothing and property must be put in JUMS.
- Once you log into JUMS, from the menu at the top of the page click on **reports** and select **unit**.

- Under available reports on the left side of the screen click on one of the following; **annual clothing, property or sensitive item inventory.**

- Once you click on clothing or property look to the right and you will see view report, click on **view report.**

- Once the report comes up, go to the blue square with the green arrow pointing to the drop (EXPORT), click on the drop down and you will see EXCEL, PDF, and WORD. Click on **PDF** or **Word**, then at the bottom of the page it will read, "Do you want to open or save, click **open** and the PDF or Word file will come up and you can print the inventory for your record.

- Use this listing to inventory all property and clothing, then sign the inventory at the bottom and keep on file.

- Upon completion of your inventory go back to JUMS HOME screen, click on **manage supplies**, select **clothing** or **property** and select **property annual inventory.**

- Place your Annual Inventory Date in JUMS..

- Inventory will be attached to annual supply inspection and sent to brigade.

➤ **Supply Inspection.** In accordance CCR 145-2, an annual inspection is due this HQs by 15 March 2014. This inspection may be completed by SROTC affiliation, National Guard, Army Reserves, or Installations CIPBO office. Checklist is found in CCR 145-8-3 Independent School Supply Checklist.

➤ **M853 Pellet Rifles.** All M853 Pellet Rifles must be turned into CMP. Procedures are below.

- School notifies the support installation that M853 rifles will be turned-in to CMP; prepare required turn-in documentation (DD Form 1348-1A). Unit gets this form with document number from CIPBO...be sure to include POC/phone/fax #.

- Recommend school retain the boxes in which Daisy shipped the new rifles and use them for the shipment of the old rifles to CMP.

- The boxes should be taped together in bundles of 4 to reduce the number of shipping units and the cost to ship.

Example: School has 20 rifles to return. They would tape boxes into 5 Bundles of four rifles and CMP will send 5 shipping labels

- School contacts CMP (Adam Hanvey/CMP, ahanvey@odcmp.com, 256-835-8455 x 1006 or Gwen Massey/CMP, gmassey@odcmp, 256-835-8455 x 1128) and informs CMP how many bundles of rifles they will be shipping and CMP will then mail the required number of pre-paid shipping labels to the school.

- School can then contact FedEx to pick-up the packages. A copy of the 1348-1A verifying the serial numbers must be included in the shipment, make sure you have the fax number on the document.

- Upon receipt of the weapons, CMP personnel will verify the serial numbers on turn-in document (DA Form 1348-1A) and fax back to the school. If there is a discrepancy, the Civilian Marksmanship Personnel will notify the individual school for correction.

- Once you receive turn-in document (DA Form 1348-1A), you will fax or email that document to your support installation CIPBO to have the air rifles removed from your property book. Once complete you will then forward a copy to Brigade HQs to prepare a 4610-R to move said air rifles from the TDA.

## BUDGET

### ➤ **GPC.**

- All Government Purchase Cards (GPC) are in an inactive status and will remain so until all Card Holders and Billing Officials are trained on the new credit card procedure (GFEBs-SCCS). Although your GPC account is currently in an "inactive" status, the **billing officials** (BOs) are still required to logon and certify (MA/DA Certification) the account at the end of each billing cycle every month.

- If you have outstanding laundry and or alteration bills that need to be paid, please fax or email the bill/invoice, and USAACE Form 60-E to Brigade, ATTN: Lynn Davis or Sylvia Greene. A Brigade representative will pay the vendor listed on the bill/invoice. The plan is to eventually have all laundry/alteration services on a contract with an approved vendor in your area.

- Please continue to use DoD Email MILSTRIP fund code to order all of your uniform and uniform items as well as nametags.

- DO NOT USE OR ATTEMPT TO USE YOUR GPC ON DOD EMALL.

## AWARDS

➤ **Cadre Awards.** DAI and Instructor of the year nomination packets are due NLT 1 February 2014. POC is Ms. Sylvia Greene at [Sylvia.t.greene.civ@mail.mil](mailto:Sylvia.t.greene.civ@mail.mil) or 910-432-4499.

## JCLC

➤ **JCLC 2014.** Due to OMA funding issues, there WILL NOT be any Brigade sponsored JCLC encampments this summer. Alternate camps may be authorized at your expense. Your Request packet for "Alternate JCLCs" (local "Leadership" camps) must include the following: (1) Request Memo indicating Name, Location, Dates, Commandant, Number of Schools Attending, Number of Cadets, Contact Number, email address and Number of Cadet Meals Requested (2) USAACE Form 60 - Request Funding (3) Training Schedule (4) Composite Risk Assessment. Camp Commandant/SAI/Als will conduct all training in compliance with CCR 145-2 and will accept full responsibility for the safety and orderly conduct of all training for all JROTC cadets that participate, reporting any incidents immediately to the Brigade Headquarters in SIR format. Brigade will fund Cadet meals at a rate of \$21 per day for each Cadet. Your food vendor must be capable of receiving payment by credit card over the telephone. If your request for meal support exceeds the GPC threshold of \$3000.00, you must submit a contract through the Brigade to Cadet Command within the submission timeframe for processing (i.e., 25K and below is 103 calendar days/ 25K-100K is 133 calendar days for processing).
