

ODDS AND ENDS

March 2015

➤ **General.** Hopefully, all of you made it through the winter weather of late without major incident. There are three major topics I want to stress are: First, if you have not already done so, execute you available allotment for both MPA and OMA as soon as possible. Once we have exhausted our current allotment, we should receive additional funding. Buy forward when appropriate and only purchase authorized items. Secondly, If you are going to attend the summer training in Richmond this year (2-6 Aug 15) and have not completed the online registration form, please do so immediately. Once you have completed the online registration form, make your reservations. Early reservations should be able to book the Doubletree without a problem. Late reservations will probably stay in an overflow hotel. The links for both the online registration and the hotel reservations can be found on the 4th Brigade JROTC website (www.ajrotc.us). As a final note, please start your preparation early for JCLC this summer. Be sure to acclimate your Cadets, make necessary purchases now and ensure your Cadets have the opportunity to break-in their boots.

INSTRUCTOR MANAGEMENT

➤ **DD Form 2767. Suspense 1 May 2015.** The suspense for **ALL** 2767s to be completed is 1 May 2015, **NO EXCEPTIONS!!** School districts that will not render an instructor contract prior to 1 May 2015 must understand that a validated DD form 2767 can be voided if an instructor is not offered employment for the upcoming school year. The validated 2767 is voided by submitting a resignation/retirement letter from the instructor or termination letter from the school/district. The annual DD form 2767 for SY 2015-16 will be processed the same way as last year. Instructors will access and complete the DD form 2767 via JCIMS. The form will be printed and signed by the approving official (principal, HR representative, or DAI) and the instructor. Upon completion, the form will be scanned and uploaded through JCIMS for Brigade review. The intent is to provide a speedy, accurate, and secure procedure for the document to arrive at Cadet Command. The 2767 user manual (instructions) is located on the 4th Brigade website, click Regs, Pubs, SOPs, scroll to Instructor Management, click DD Form 2767 user guide. *****PLEASE FOLLOW THE INSTRUCTIONS IN THE USER GUIDE***** Do not take any short cuts. The completed 2767 that is scanned and upload in JCIMS must contain the same data that was initially saved in JCIMS (i.e. school/district IDs, block 9a & 9b current school year dates). Lastly, please ensure you and the school official sign and date in the appropriate areas. Contact Mr. Art James if you have any questions.

➤ **Background Checks.** Several instructors personally received notification via email to complete documents to initiate a mandatory background check (disregard if you did not receive the email). The suspense to have the completed documents to Brigade was 17 Feb 2015. Please

complete and submit the required documents immediately. At some point in the near future, instructors that have not completed this requirement will have their JROTC instructor certification revoked and will not be certified to teach JROTC. POC for this action is Art James.

➤ **Instructor Photo.**

- Cadet Command has screened instructor records and identified several instructors that do not have an updated photo on file. These instructors were notified and must submit an acceptable photo to 4th Brigade NLT 1 Apr 2015. A list of instructors that fail to meet the suspense will be submitted to Cadet Command for possible short-term probation or certification suspension. Instructors can check their photo status by viewing their info page and documents in JCIMS.

Please review the following requirement for photos to ensure that your photo is accepted.

- ✓ Updated photo should be submitted every 5 years.
- ✓ Electronic photo (no hard copies), 4x6, color, 3/4 length, professional background, Army Greens or ASU uniform w/all authorized awards and insignia.
- ✓ The following info should be on the front side of the photo or within the email message (Name, Rank, Last 4 SSN, School Name, Location (City/State), and date of photo).

- **Notes:**

- ✓ The wear of Army green uniform will expire 30 Sep 2015.
- ✓ Photo may be taken with a digital camera or a cell phone with decent camera.
- ✓ The photo should be similar to the DA photo. The instructor should be faced slightly to the right so that rank on the left sleeve (NCO's) and the name tag on the right pocket flap is visible/readable. Officers may face forward.
- ✓ Photos that are blurry or do not meet all requirements will not be accepted.

➤ **Use Of DOD Email.** Effective 23 January 2015, all 4th Brigade JROTC DOD EMALL account classification was granted approval to be restored to Orderer. You are to submit your MILSTRIP permission form to DOD EMALL for approval. The process takes less than 48 hours. To keep this privilege, we must all ensure 100 percent compliance with all Army, MRA and DLA guidance. Pay particular attention to:

- (1) using the correct fund code for purchases
- (2) submitting MRAs as appropriate
- (3) not exceeding authorized funding limits
- (4) prohibited purchases and monthly reconciliations.

We face being restricted from using the system again and possibly a supply constraint at Cadet Command, if there are indications of increased violations during any of the Army Audit Readiness reviews.

➤ **DOD Email Ordering.** The primary vehicle to execute your OMA and MPA spending plan and to make all purchases is using MILSTRIPS fund codes (35-MPA and ZZ-OMA). The best way to protect your funds is to spend them NOW or as quickly as possible on authorized items. All OMA supply purchases must be made in DOD EMALL using MILSTRIP Fund Code ZZ and Signal Code A. Remove all GPC information from your DOD EMALL account as the GPC can no longer be used. Keep in mind, not all office supply vendors in DOD EMALL will not accept MILSTRIP as a form of payment. Use the DOD EMALL search engine to find those vendors that will accept MILSTRIP for office supplies. **REMINDER: MPA funding is used for: Uniforms, Cadet Meals (when authorized by Brigade), Laundry/Alterations and Accoutrements. Use MILSTRIPS fund code (35-MPA). OMA funding is used for supplies, postage, curriculum, OCIE items and all approved unit trips (Cadet Rides & Field Trips)**
