10 July 2017

MEMORANDUM FOR: Raider Team Commanders and Coaches

SUBJECT: Annual East Rowan High School Raider Meet

1. References: 4th Brigade Raider Challenge MOI dated 27 August 2013 to include supporting references there in.
2. East Rowan High School's Fighting Mustang Battalion will sponsor the Lance Corporal Nathan Ross Elrod Memorial Raider Meet on Saturday, 28 October 2017 at East Rowan High School. The meet will follow the Fourth Brigade Raider Challenge Rules as posted on the web site. Commander's call will be at 0830 with event start at 0900. Events will consist of the Modified APFT, Rope Bridge, 5 KM Speed March, Litter Carry, and Logistics Relay. Trophies will be awarded for first through third places overall, and a trophy or streamer for individual events. The top male and top female on the MAPFT will receive a medal. Registration will be \$75.00 **per team** with a maximum of two teams per school or \$100.00 for two teams (It's a discount). There is one modification to the Brigade MOI, guidons must be assembled and visible on the 5 km March.
3. Please return the attached registration form and entry fee to reserve your team's place in the competition.
4. ADMINISTRATION: Coaches should have a Covenant Not to Sue (page 49 of MOI) signed by the parents and cadet along with their Statement of Health and Fitness (page 45 of MOI) for all team members. These will be collected at check-in. Coaches should be in possession of Medial POA in case of injury.
5. LOGISTICS: Parents Support Group will again run a concession stand for breakfast and lunch on site.
6. DEDICATION: East Rowan's Raider meet is named in honor of Lance Corporal Nathan Ross Elrod, USMC who was killed in action in Iraq. LCPL Elrod was a 2004 graduate and a three year member of the East Rowan Raider Team.

7. Logistics Relay:

The layout for the relay will be according to page E-3 of the brigade MOI. However, we will not use galvanized pipes with cinder blocks. That will be substituted with 5 gallon water cans.

The first two cadets will flip the tire. The next two cadets will carry two 5 gallon water cans. They will pass off the water cans to the next two cadets who will then negotiate the wire (rope) obstacle. Once they reach the other side, they will load the water cans onto a stretcher and the last two cadets will carry the stretcher to the 100m mark. They will then place the litter on the ground and run back to the start line collecting their teammates along the way. Time stops when all cadets cross the line.

Essentially, we will run this event the same way we have the last two years. If you've been here before then you know the deal.
