WHEN: 17 March 2018

WHERE: Magna Vista High School, Ridgeway VA 24148 / Lee Ford Camp

UNIFORM: Uniform: in IAW current 4th MOI.
Teams will not be allowed to compete without a guidon.

LODGING: To be determined on a case-by-case basis. Lee Ford Camp has lodging for \$4.00 per person. There are two bunk houses that can house 12 -15 and a lodging house where sleeping bags on floors can be used.

There are inexpensive hotels real close to the school.

*Because this is a 4th Brigade Best of the Best Qualifier, **all instructors must** be in Battle dress uniform. If the instructor is not in proper uniform the day of competition the raider team will not be allowed to compete.*

COORDINATING INSTRUCTIONS:

a. Registration package and sequence of events are attached. Registration package and entry fee (non-refundable) of **\$80 per team is due by 1 February 2017.**

b. All events will be conducted IAW the current 4th Brigade, Raider MOI. The alternate event will be a **Logistic Relay**. For those attending, I will send out a schematic of the course as the date nears. The event will consist of a low crawl, carrying a flat bottom boat, rowing a short distance, and carrying a simulated ammo box.

c. Plans for the Raider Competition are based on 20 Alpha teams. **Teams will be chosen on a first come, first serve basis.** All schools are guaranteed a team in the competition up to 20 Alpha teams. Priority will go to the first 20 Alpha teams who **submit** their ENTRY fee and form.

d. B Teams will only be competing against B Teams. There will be separate awards for B Teams. They will have their rope bridge site also. First come first served for B teams up to 10 maximum.

NOTE 2: B teams will **NOT** be eligible for any A team awards or individual PT awards.

NOTE 3: If a school only has one team, it must go into the varsity (A) team division.

Register early to be guaranteed a spot in the meet.

d. Special note: THIS IS THE LAST QUALIFIER FOR THE 4TH BDE BEST OF THE BEST CHAMPIONSHIP OF THE YEAR.

e. Safety: Although we want our cadets to have an adventuresome experience, we will not risk lives, limbs, health, or safety. We will do a thorough risk assessment before the date of the meet and update it as the day progresses or as conditions change.

ATTENTION: All instructors, **to include all instructors**, will be required to assist with the grading of the PT test. This is a must, I do not want to have cadets grade and I cannot get that much support. We have a National Guard unit close that does nothing for as many times as I have asked. No colleges close, so we must, as a group all pitch in. Your B Teams will be fine without you for a short time. I know this is one of our least favorite things to do, but we do what we have to for the kids. The procedure in which we run it goes smooth and quick. **NOTE 1:** Cadets will be grading the B Team PT test.

THANK YOU IN ADVANCE FOR YOUR SUPPORT.
