

4TH BRIGADE BEST OF THE BEST PLAN 2016/17

Below is the plan for the Brigade Best of Best (BOB) Drill and Raider competitions for this school Yr 2016/17. In order to compete in the BDE Best of the Best you must attend one of the brigade sanctioned state/regional meets (see below). All meets must follow the Brigade SOP dated Aug 2013 for Drill and Raider. You can find the updated Drill/Raider SOP on the 4th BDE web site under MOI's. (See next page for Marksmanship)

Each State will host one or two Bde sanctioned state/regional meets depending on the number of schools or distances in their specific areas. The top winners of each state/regional competition will be invited to the Bde championship (BOB) which is scheduled for 11 Feb 2017 for Drill and 22 Apr 2017 for Raider. The number of invitees to the Brigade championship meet (BOB) is based on the number of attendees at that specific state/regional meet (Winner of each qualifier is guaranteed invite to Brigade Championship).

Below is the list of locations and tentative dates of all the Bde sanctioned State/Regional Meets for this school year. Each state/regional meet will send out a separate LOI prior to their meet with all the specifics for that meet but will refer to the Bde MOI for rules and scoring. Teams can attend any meet they desire:
